## Breed

Greetings fellow Dominique Fancier!

The Dominique Club of America is conducting a census of our breed to have a more accurate count of how our breed numbers are doing compared to the 1970 census. Please help us by completing the requested information below, and mailing the completed form to: **Tracey Rodenbach, 61 Difficult Rd., Pleasant Shade, TN 37145 at your earliest convenience.** Feel free to contact me at (615) 774-3117, or email me at [trodenb@gmail.com](mailto:trodenb@gmail.com) if you should have any questions.

**Please know that your personal contact information will be kept confidential and will NEVER be publicly released. We are not looking to build a breeder's list. We are attempting to count the number of actively breeding Dominiques in the United States and abroad.**

Please detach the section below and mail to the address listed. On behalf of the Club and the Dominique Breed, Thank you!
